Think slavery isn't happening in America? Think again...

'We don't think it's happening in our backyard. We promise the 'American Dream,' but we also hold the title of the second highest destination in the world for trafficked women and children... their lives sold for \$2,000 (at most) to the predators who buy them. The average age of a sex slave is 11 years old.'

Lisa Wiehl Fox News

Every 30 seconds another person becomes a victim on human trafficking

There are 27 Million people enslaved today, more than at any other time in history.

70% of these slaves are women, 50% children

In the United States, most prostitutes enter the the industry between the ages of 12 and 14

Oklahoma is #1 for Craigslist demand

The average sex slave is forced to have sex up to 20x a day.

4years is the average life span of these victims, they die from STD's, abuse, or exhaustion.

99% of victims are never rescued

There are only 100 beds for rescued victims in America today help us help them.
